

Evangelization Team Overview

Beacons of Light Parameters

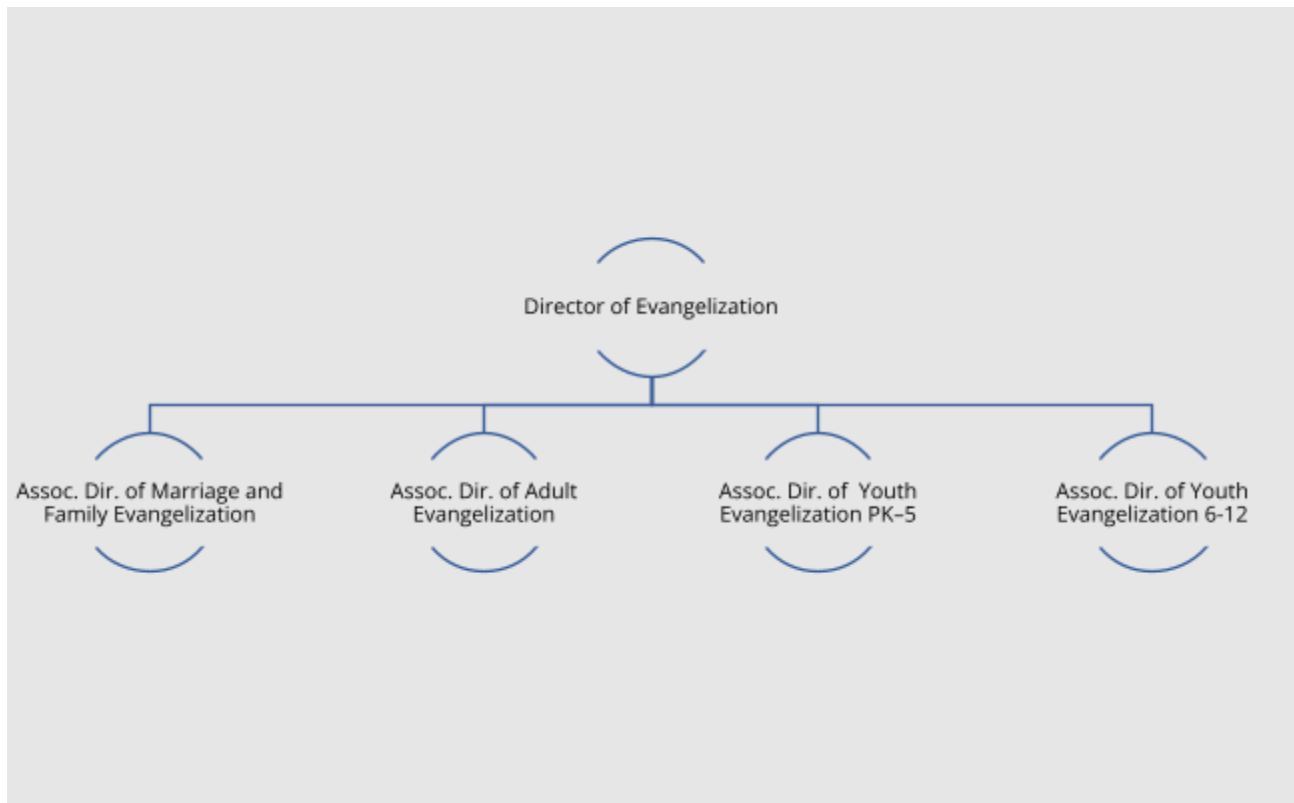

#13 Competent and qualified staff are necessary to serve the Family of Parishes, especially in the areas of worship, Evangelization (including Love in Action), and administration. As is possible, staff will be unified to serve the entire Family.

#19 Every Family of Parishes will have an Evangelization Team, overseen by the pastor and led by competent and qualified staff.

Possible Evangelization Team Configurations

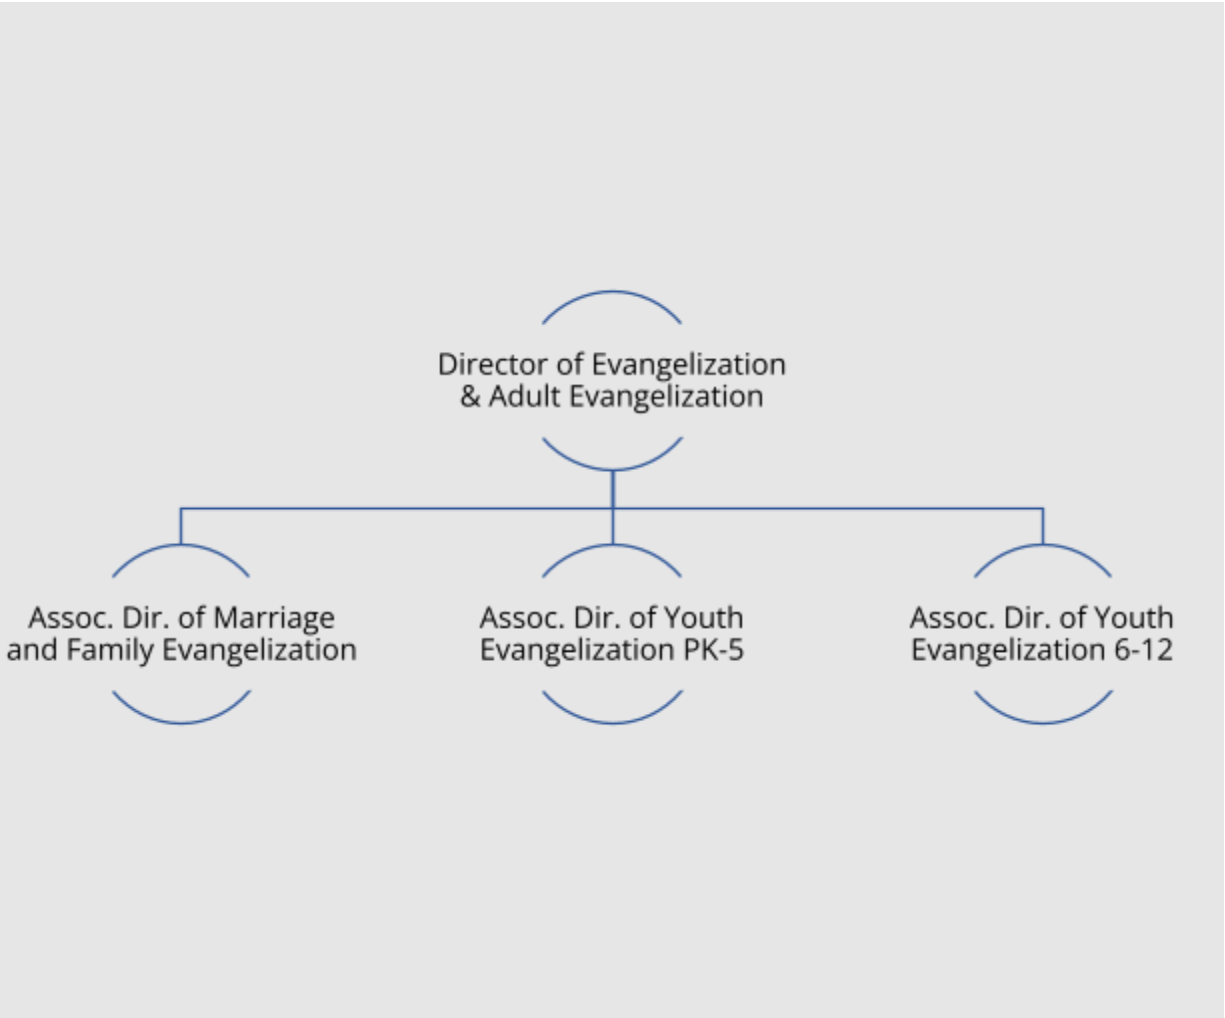

Option #1: The Ideal Team

This is the ideal Evangelization Team, and we recommend every effort be made to establish a team of this makeup. This option gives direction over every major area of evangelization and establishes a director of evangelization to oversee its full implementation.

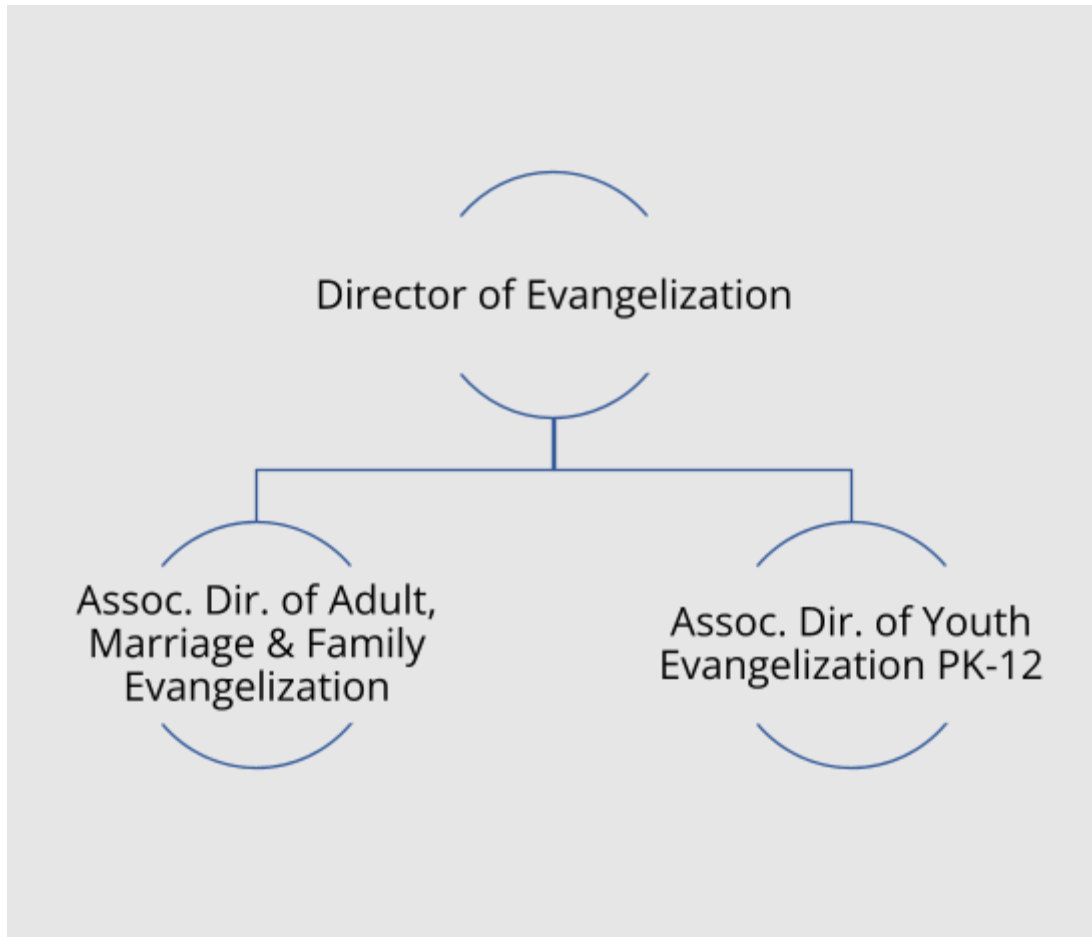

Option #2: Adjust the Job Description for the Director of Evangelization

Give the director of evangelization tasks for one of the major areas of evangelization (youth, adult, marriage and family) in his/her job description, thus eliminating the need for another position on the team. These tasks should align with the gifts and experience of the director of evangelization. In the example below, the director of evangelization also takes on adult evangelization tasks.

Option #3: Combine Job Descriptions

Combine the job descriptions of adult and marriage and family and/or youth PK-5 and youth 6-12. This option could also be used in combination with Option 2. The example below shows the combination of both adult and marriage and family and youth PK-5 and youth 6-12.

Option #4: Combine Job Descriptions and/or Add Additional Positions

Combine job descriptions to open up a head count to hire for a unique need, based on the vision of your Family of Parishes. Additional positions to consider would be:

- Associate director of Hispanic evangelization
- Associate director of young adult evangelization
- Associate director of communications

- Associate director of youth evangelization 6-8
- Associate director of youth evangelization 9-12
- Administrative assistant to the Evangelization Team

The example below shows the combination of adult evangelization tasks with the director of evangelization so as to add an associate director of Hispanic evangelization.
