

A Vision for Love in Action

Building Communities of Salt and Light

A 3 Session Series for Parish Families

What you will learn:

- Introduction to the biblical and Catholic Social Teaching foundations for Love in Action ministries
- Appreciation for how charity, social justice and respect life ministries are institutionalized in the Church
- Exposure to Archdiocesan-wide and local organizations exemplifying Love in Action efforts
- Envisioning models for coordinated Love in Action ministries across the new Family of Parishes
- Foundational conversations for future planning among Love in Action leaders for ministry organization and growth.

Why should I do this?

- Educate your Love in Action team on the importance of this vision
- Help your parish ministries meet and discuss how to start working together
- Jump start your parishes on working together for one mission as a family of parishes

How it is organized:

- Organized on the sub-deanery level for all parish families in that sub-deanery
- Each family of parishes brings a team of 5-7, including the Love in Action coordinator and potential leaders
- Scheduled in three 2-hour sessions (could be once per week, or all in one day)
